QQI	Please see the link below for more information about the symposium https://www.qqi.ie/Articles/Pages/Conferences-and-events.aspx Here is the registration link	Invitation from QQI and NFETL to colleagues to the ' National Symposium on Work-based Assessment: Getting to Grips with Policies and Practices ' which takes place on Thursday 19 th November from 10am.	NA
Attendee		What are the Top 5 actions that are required in order to ensure that learners' work in response to assessments is genuine and free from plagiarism?	This question was raised with speakers during the seminar. Please see the final 15 minutes of recording for the response.
Attendee		What ticketing system do you use, @ Dr Mary Kelly?	Dynamics
Attendee		Was the formative assessment for academic writing marked and feedback given? @ Dr Mary Kelly	No, it was computer generated
Attendee		Do you use on-line quizzes as part of formal assessment e.g. Cahoot? @ Dr Mary Kelly	No only as of formative assessment
Attendee		Is it possible that these slides can be shared with the attendees here if we not have time to review them all? Thanks	Presenters agreed to their slides being shared
Attendee		Have you had challenges around timing of assessment across modules?	This question was raised with speakers during the seminar. Please see the final 15 minutes of recording for the response.
Attendee		How do you assess the soft skills? @ Dr Mary Kelly	Reflective Journals

			Portfolios Reflective Essays Forum posts Post- observation discussions
Attendee		Were there any GDPR issues with the ID validation?	This question was raised with speakers during the seminar. Please see the final 15 minutes of recording for the response.
Attendee		Was there an invigilator/student ratio in the exam environment?	This question was raised with speakers during the seminar. Please see the final 15 minutes of recording for the response.
Attendee		Can you expand a little more on the controls that you applied to the written exams e.g. verification of student identity, please? @ Ms Aisling Reast	This question was raised with speakers during the seminar. Please see the final 15 minutes of recording for the response.
Attendee		Hi, could you go through how you manage the online assessment visits please? @ Dr Melanie Ní Dhuinn	
Attendee		For the learners' Declaration of Assessment, do you use a specific software for digital signature or is it a checklist done on the likes of word or an email from them? @ Dr Mary Kelly @ Ms Aisling Reast	Aisling and Mary are happy to be contacted directly on this. Please contact lflynn@qqi.ie if you wish to follow up on this.
