### PART 2

#### ***General Conditions of Validation and Accreditation***

1. The Provider will co-operate with and assist Quality and Qualifications Ireland, where appropriate, in the performance of its functions.
2. The Provider will establish procedures for the assessment of learners, which are fair and consistent and for the purpose of compliance with standards determined QQI.
3. The Provider will implement procedures for access, transfer and progression determined by QQI.
4. The Provider will provide to QQI such information as it may from time to time require for the purposes of the performance of its functions, including information in respect of completion rates.
5. The Provider will implement quality assurance procedures agreed with QQI for further improving and maintaining the quality of the programme and services related to the programme.
6. The Provider will make no significant change in the programme without the prior approval of QQI, save in the case of changes arising from the implementation of findings of the provider's quality assurance procedures as agreed with QQI.
7. The Provider will notify QQI of any change in circumstances affecting the provision of the programme of a nature that would be likely to cause QQI to consider reviewing the validation or accreditation.
8. The Provider will submit to QQI as required, a progress report on its compliance with the conditions of validation and accreditation.
9. The Provider will ensure that appropriate human and physical resources are available for the provision of the programme.
10. The Provider will implement the programme and assessment structure in accordance with the Approved Programme Schedule.
